

The next time you shop at the LCF Ralphs, ask the cashier to register your Ralphs card for PCY. Everyone's card needs to be registered, since all previous registrations expired Aug. 31. Registration takes only seconds, as the cashier has a scanbar for PCY and the other LCUSD schools. You need to do this only once, not every time you shop, as your registration will be valid until next September. Once you are registered, PCY will receive up to 4% of what you spend with your Ralphs card, at no cost to you. Last year the PTA received over \$30,000 from Ralphs!
