The PCY PTA is excited to introduce a new Spanish program for first and second graders. The class will be a beginning Spanish course with emphasis on vocabulary and basic conversation and will be taught by a LCSH Spanish teacher. Registration for students will be on a lottery basis and registration forms should be returned to the Spanish envelope in the PTA section of the PCY office. The district wide Spanish program begins in the third grade and will be available for all students.

- **This program is only for PCY 1st and 2nd graders.**
- **Students will be selected by lottery and registration forms must be turned into the Spanish envelope in the PTA section of the office no later than 3:00 on Friday, September 25th. Registrations that are late will be considered only after the lottery drawing if there is space available. Class size is limited (approximately 20 students per class).**
- **Tuition is \$150, non-refundable and covers the full year (October through the end of May).**
- **Spanish classes will be held on Mondays or Wednesdays at 3:00 and instruction will begin in October.**
- **Spanish will not be held during the half-day conference week or during the week of standardized testing in the spring. If a full-day of school is in session at PCY, Spanish will also be in session.**
